

SHIMANO

HUSKY

AUSTRALIAN TRIATHLON CHAMPIONSHIP 2021

ROAD RESTRICTIONS & TEMPORARY CHANGED TRAFFIC CONDITIONS

SATURDAY 27th & SUNDAY 28th FEBRUARY 2021

Dear Resident & Business Owner:

The 'Shimano Husky' Triathlon Festival has grown to become one of Australia's most loved event, with 2021 marking 16 years. The annual Festival will be a major economic and tourism boost for the Shoalhaven, which also provides significant fund raising for local charities and not-for-profit organisations.

Due to the event nature, road closures will be in place under strict approvals and processes of Police, RMS & Shoalhaven Council, with management by certified traffic controllers.

Central to the planning is the safety of participants, public and working with affected residents and businesses to limit disruption.

Police request closures and ask for public to be made aware for alternate arrangements.

The event organisers will work with businesses/residents where possible to assist in minimising the disruption and ensuring to meet special circumstances and of course any emergency vehicles. Public transport (buses) will operate under an amended schedule/route (refer direct to bus company for route)

As per (current) NSW Health orders, all events have been reduced to under 3,000 participants and volunteers. COVIDSafe event plans are formed in consultation with NSW Health, local council and police.

TRAFFIC DELAYS: SATURDAY 27TH & SUNDAY 28TH FEBRUARY 2021

The following information has been developed to provide residents, business owners & the general public with detailed traffic information in order to minimise disruption on event day. Please note that businesses will operate as normal on the event day.
